MYSORE SERUM INSTITUTE, HEBBAL, BANGALORE.

Notice dated 10th July 1936.

It is hereby notified that one young medium sized milking cow along with her first calf (bull, aged about two months) belonging to the institute will be sold by public auction to the highest bidder, on Monday the 27th July 1936 at 12 noon in the Institute premises.

The highest bidder is required to pay the bid amount in full immediately in cash and to remove the cow and the calf from the Institute.

SUPPLY OF HE-GOATS AND SHEEP.

Tender Notice dated 17th July 1936.

Sealed tenders for the supply of he-goats and sheep required for the Mysore Serum Institute at Hebbal, Bangalore, during the official year ending 30th June 1937, will be received in the Office of the Superintendent, Mysore Serum Institute, Bangalore, up to 3 P.M., on Monday the 24th August 1936.

2. The tenders should be sent in sealed covers superscribed "Tenders for the supply of he-goats and sheep to the Mysore Serum Institute during the year 1936-37."

3. The tender rates quoted should be inclusive of all charges for free delivery of the goats and sheep at the Institute premises at Hebbal, or at the Institute Reserve Depot.

4. Every tenderer should deposit in the State Huzur Treasury, a sum of Rs. 100 as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the Treasury Receipt relating therefor should accompany the tender without which the tender will not be considered.

5. The tenders will be opened by the undersigned at 3 P.M., on the same day in the presence of such tenderers as may choose to attend.

6. About 400 he-goats and 50 sheep may be required to be supplied during the year. The number is only approximate and the Superintendent reserves the right to order for more or less than the number mentioned.

7. For the supply of he-goats two contractors may be selected out of the tenderers at the option of the undersigned. Each contractor should be prepared to supply from time to time the number of goats required by the Superintendent of the Institute, within the period specified in the indent. The rate approved by the Director of Agriculture should be accepted by the selected tenderers. If any of the two selected tenderers does not accept the approved rate, any one else among the tenderers may be selected and given the contract.

8. The final acceptance of the contractors for the supply of he-goats and sheep at the approved tendered rates will rest with the Director of Agriculture who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. Every one of the selected contractors will be considered as a separate and an independent supplier to the Institute.

10. The rates quoted should be in figures as well as in words. Separate rates should be quoted for he-goats and sheep. The rate quoted for each item, *i.e.*, he-goats and sheep will be considered as a separate tender by itself.

11. No claim for any compensation or enhancement of rates on any account shall be entertained.

12. The names of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement as detailed in the sample copy available for reference in the office of the undersigned, on a ten-anna stamp paper depositing a sum not less than 10 per cent of the value of the tender as security deposit in the State Huzur Treasury, in favour of the Superintendent, Serum Institute, within seven days from the date of intimation of the acceptance of the tender for the due fulfilment of the contract, failing which his tender will be cancelled and earnest money forfeited. The earnest money of the unsuccessful tenderers, will be arranged to be refunded in due course. After acceptance of the rate of any two of the tenderers, the earnest money of the successful tenderers will be refunded to them after their executing the necessary agreement bond.

13. The successful tenderers should be prepared to supply such number of animals as may be required from time to time on indent from the Superintendent within the time specified by him.

14. Payments to the contractors for the animals supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same early in the following month with the relative receipts attached thereto. While arranging payment of his bills, the contractor should accept the following conditions :—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half-a-rupee will be disregarded and half-a-rupee and over will be taken as a rupee.

(*b*) The total of bills less than Rs. 25 will be rounded to the nearest anna.

15. The tenderers should note the following conditions :—

(*a*) Tenders should be for the supply of only he-goats and sheep which should be from 1 to 3 years of age, in good condition and in perfect health.

(*b*) Each he-goat should weigh not less than 50 lbs., and each sheep 35 lbs.

(*c*) Animals which have been previously protected against Rinderpest by S.S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have formerly been used in the Institute will not be accepted.

16. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used animals, and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, the contractor being made liable to make good to Government all the other losses consequently.

17. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned, and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned. In case there is any delay in taking delivery of the rejected animals within two days at the latest from the date of intimation of rejecting the animals the contractor shall pay feeding charges at annas four per animal per day from the third day of intimation till the date of removal of those rejected animals ; the amount so accrued will be deducted from the supply bill of the contractor if in the meantime payment of the same in cash is not made by him.

18. If, owing to any delay in supply, the undersigned is obliged to purchase animals elsewhere, he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para 16. But the contractor shall have no claim on the profits, if any, by such purchases.

19. The contract should not be sublet.

20. The decision of the undersigned shall be final in all questions of acceptance of he-goats and sheep.

21. Any further information relating to the supply of he-goats and sheep may be had from the undersigned on working days between 2 P.M. and 4 P.M., in his office.

Notice dated 20th July 1936.

PURCHASE OF GOATS AND SHEEP.

Sealed tenders will be received in the Office of the Superintendent, Mysore Serum Institute, Hebbal, Bangalore, up to 3 P.M., on Monday the 24th August 1936, for buying Goats and Sheep, which have been used in the Institute for the year ending 30th June 1937.

2. Tenders should be superscribed "Tenders for the purchase of done and branded goats and sheep from the Institute."

3. A sum of Rs. 100 should be deposited in State Huzur Treasury, Bangalore, as earnest money towards the tender in the favour of the Superintendent, Mysore Serum Institute, and the treasury challan relating thereto should be attached to the tender without which the tender will not be considered.

4. The rate quoted in the tender should be written in figures as well as in words and it should hold good both for goats and sheep that may be available, the total number for the whole year being about 400 goats and 40 sheep which are only approximate.

5. About ten animals may be available every week and they have to be removed every Wednesday from the Institute on payment of purchase money on the spot. The number is only approximate. If the contractor delays in removing the animals on the fixed days he will have to pay as feeding charges, annas two per goat or sheep for every day of delay till the date of removal of the animals, the maximum time allowed being only Ten days. These feeding charges should be paid in cash together with purchase money before he takes delivery of the animals. Failure to fulfil the above conditions on the part of the contractor will entail forfeiture of the security deposit furnished by him and further he should make good to Government any loss that may arise consequently.

6. No claim for any compensation or enhancement of prices on any account shall be entertained.

7. The tenders will be opened by the undersigned at 3 P.M., on the same day in the presence of such tenderers as may choose to attend.

8. The undersigned does not bind himself to accept the highest rate or any tender or assign any reason whatever for the rejection of any tender.

9. The name of the successful tenderer will be intimated in due course.

10. Within seven days from the date of intimation of the acceptance of the tender, the successful tenderer will be required to execute an agreement bond (as detailed in the sample copy which may be seen for reference in the office of the undersigned) on a ten-anna stamp paper furnishing a sum of Rs. 200 as security deposit towards the fulfilment of the contract in default of which his tender will be considered cancelled and his earnest money will be forfeited to Government.

11. The earnest money of the unsuccessful tenderers will be returned. After acceptance of any one of the tenders the earnest money of the successful tenderer will be refunded after his executing the necessary agreement bond.

12. The contract should not be sub-let.

13. Preference will be given to tenders from raiyats.

P. U. NAYAR,
Superintendent in-charge.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, MYSORE.

Notification dated 30th June 1936.

Sealed tenders, in triplicate, will be received at the Office of the Superintendent, Power and Lighting, Mysore. Tenders should be superscribed with the name of the work given below :—

2. The plans may be obtained at the office of the undersigned and the Assistant Superintendent of Rural Areas at Shimoga, at all working hours.

3. The tenders should be drawn up in conformity with the statement furnished below, writing out the rates at which the different items specified will be executed, in figures as well as in words.

4. The undersigned reserves the right to accept or reject the tenders, without assigning any reason therefor.

5. The successful tenderer will be required to pay an earnest money of Rs. 30 and execute the usual agreement within three days from the date of receipt of the acceptance of the tender, failing which the tender will be considered as cancelled, and work disposed of otherwise.

6. The materials to be used on the work should strictly conform to the specifications and executed as per instructions of the Department.

7. Items other than those specified should on no account be included in the tenders, as the items cover up provision for repairs to masonary and painting, etc.

8. The successful tenderers will be required to adopt any changes not inconsistant with the original specification without any extra cost.
